**Painting in  
Umbria Italy  
May 7-15, 2013.**

Visit this scenic part of Italy at the most beautiful time of year. Poppies in bloom, cuckoos singing, festivals being celebrated. Paint, walk, sightsee through ancient hill towns of Assisi, Spello, Gubbio, Perugia. Stay at La Malvarina which dates

back to the fifteenth century but has been tastefully restored by the owners in classic country style. Maria Maurillo and her family take pride in maintaining its impeccably groomed grounds. Immersed in an oak forest, Malvarina provides rooms with private bathrooms, all carefully refurbished in classic country style. Part of the old wine cellar has been converted into an intimate dining room. Here you will enjoy the immense variety of Maria's cooking of old traditional Umbrian recipes using home grown produce. Maria has been featured in Bon Appetit and on CNN. From our home base of La Malvarina, we will travel the countryside, painting each day but also doing some sightseeing with local guides.
